

# What is Climate Change and the Ecological Emergency?

## ACTION TASK

*Can you answer this question yourself as if you were writing to someone who was 8 years old who didn't know anything about it?*

Draw or make notes here

## ACTION TASK

*Can you recall recent news stories that show the effects of climate change or the ecological emergency? For instance, you might think about reports on extreme weather events, melting ice caps, biodiversity loss, or wildfires.*

*What stood out to you, and why? How do these events make you feel, and what do you think needs to be done?*

Draw or make notes here
